#### **IMPORTANT INFORMATION**

1. **ARRIVAL TIME:** We recommend arriving at The Cube a minimum of 30 minutes prior to your first picture opportunity. You will need additional time if hair and make-up are completed at The Cube.
2. **COSTUME CHANGES:** Locker rooms are not available. Please use the appropriate restroom and remember that there will be Cube customers using these bathrooms too so please be kind and considerate and clean up all items as you go.
3. **CLUB COSTUMES:**
  - Check out your club costume from the appropriate Show Group Costume Table in the lobby.
  - Skaters are required to remove their skates or place guards on their skates when changing into or out of a costume. Skate blades will slice costumes, and the majority of our costumes cannot be replaced.
  - Club costumes must be returned to the same table prior to leaving The Cube.
  - If there is a problem with the costume (stain, tear, loose items, etc.), please report the problem when returning the costume.

4. **SKATING TIGHTS ORDERED FOR PICTURE NIGHT:** Pickup from Tights Table in the lobby. For emergencies, limited tights will be available for purchase at \$15 per pair.

5. **INDIVIDUAL PICTURES:**

- Skaters are welcome to wear their show costume and/or a personal outfit for individual pictures.
- If you are having pictures taken in more than one outfit, please allow fellow group skaters to be photographed in their first outfit prior to being photographed in a second outfit. Additional photos can also be taken at 7:00 PM.
- Skaters can be photographed in multiple poses but be courteous to the skaters waiting to be photographed. We recommend determining your poses prior to being in front of the camera and having a related adult available to make quick adjustments.
- **Out of respect for the photographer and his time, please only have your skater(s) photographed in pictures you are planning on purchasing. Our photographer is not paid a sitting fee for his services on picture night.**
