No Practice on Saturday, March 21st as we'll be setting up for both the Gliding Stars Show and our own show!

This is an exciting time for our skaters, and we would truly appreciate everyone pitching in where they can.

Many hands make light work, and it really does take a village to help these kids shine.

Please take a moment to review the volunteer link (see emails) and sign up for a role that works for you. Your support makes all the difference — and helps everything run smoothly and quickly for our athletes!
