### ***No Practice on Saturday, March 21st as we'll be setting up for both the Gliding Stars Show and our own show!***

This is an exciting time for our skaters, and we would truly appreciate everyone pitching in where they can.

Many hands make light work, and it really does take a village to help these kids shine.

Please take a moment to review the volunteer link (see emails) and sign up for a role that works for you. Your support makes all the difference — and helps everything run smoothly and quickly for our athletes!
